

# Sunny Kumar

Frontend Developer

## Profile

I am a self-motivated developer with solid skills in HTML, CSS, JavaScript, and C++ for data structures and algorithms (DSA). Despite lacking formal internship experience, I've built a strong foundation through personal projects and online learning. My portfolio demonstrates my ability to create responsive, user-friendly web applications and tackle complex problems efficiently. I am familiar with Git, and React, showcasing versatility and a commitment to continuous improvement. Eager to collaborate and contribute to innovative projects, I aim to leverage my technical skills and passion for coding to drive impactful software solutions.
